## STEPHEN MINISTRY

*Are you looking for a new way to help others and serve God? We will be starting a new training class in the fall for Stephen Ministers. We are looking for those who would be interested in committing to the 50 hours study course required to become a Stephen Minister and then the time, (usually 2 hours a week,) to give to meeting with a care receiver. The core purpose of the Stephen Ministry is summed up in the words of St. Paul in his letter to the Ephesians. "To equip the saints for the work of ministry, for building up the body of Christ, until all of us come to the unity of the faith and knowledge of the Son of God, to maturity, to the*

## FRANKLY SPEAKING

As you are reading this newsletter our own Rhett Talbert is in the Duke University Hospital recovering from heart surgery. Please remember him and Pamela in your prayers that he will make a speedy recovery. Our own resident preacher, Mike Berry, will be helping out in worship during Rhett's absence. Thanks Mike!

Summer is here! In the past we used to think that things slowed to a slower pace in the church, but not so in our church. We see the workmen all around us working on the Family Life Center, the 48 children of our J.O.Y. school going from building to building with their teachers and leaders, the pre-school children and the lunch bunch enjoying their activities and other planned activities with our children such as scavenger hunts, movie nights, cookie bakes, Bible studies, and service projects. Our own Brock Sheehan, along with some of his Boy Scouts, have just completed building a wheelchair ramp for an elderly lady who lives not too far away from the church. Your church helped with the cost of the lumber. Some special music will be forthcoming during the morning worship services. The Handbell Choir will be doing some great patriotic music on July 5th. Speaking of Hand bells, Diana Scroggins will be offering a hand bell camp during VBS week for our children and youth. The Pawleys Island Flute Choir will be with us on Sunday, July 12. We are looking forward to having Mac and Dibbi Chapman's granddaughter, Emily Kent, and her group who will not only be singing throughout the worship service on July 19<sup>th</sup>. but will also be doing a Sunday evening concert for us and the community. The Contemporaries, who have been blessing us with wonderful music on Sunday mornings, will be singing again on July 26.

## "RHETT"ORIC"

Hello One and All,  
Our summer vacation plans are all set.

I'm having heart surgery at Duke on July 1, for a congenital condition of the aorta that is related to the valve replacement I had in 1990. Some of you know about this, others don't, and others may not give a hoot. But time is short, I covet your prayers (for Pamela and our kids, too), and ask that you extend this "net" to others you know whose names are not in my woefully incomplete address book. I'm counting on that.

There's not much to read at the Website yet, because I have no symptoms, and feel just peachy. I have a pre-surgical heart cath (this is my 6th, I think) on June 30, and then the fun begins. It will be easier to keep up with all the latest (admittedly not all that interesting) at the Website than to contact Pamela or me directly, at least until I return home (July 6-7?). I have the best doctors anyone could ask for, and a God who loves me very much (only He knows why). So I am free to worry about the silly things, like home repairs after a plumbing flood, the vegetable garden, when I can hike and bike again, birdfeeders, and as-yet unnamed tropical waves. ☆ ☆ ☆

Do something good for the Kingdom today-it won't go unnoticed.

My love to all,  
Rhett

## Youth Ministry

## Worship Attendance

### What's Happening with the Children and Youth???

*The children of PIPC have a busy July! Three of the four groups that we have will be going to Brookgreen Gardens-some to the zoo and others to "The Story of Alice Flagg". Eight of our young people will be going to Camp Pee Dee (seven went during the month of June) and Taylor Windham will be going to Montreat. There will be game nights, movie trips, Bible studies, service projects, and best of all-Vacation Bible School!!! July promises to be an exciting time for the children and youth of Pawleys Island Presbyterian Church!*

Dear Members of PIPC,

On behalf of all of us at The Outreach Farm, thank you for your contribution of \$1000. Your donations help feed the hungry in Georgetown and Horry County. Thank you for your generosity and support.

Kathy Welde, Treasurer

Pastor Frank, Mr. & Mrs. Shehan, and the Boy Scout Troop 396,

They were just wonderful. Our God still has good people in this world. I just can't find the words to thank you. I know that there are others that helped but we wanted to say thank you and God Bless you all.

PIPC Family

Thank you very much for the scholarship received. I feel very honored to receive this. It will help me out very much. I feel very special to be a member of the loving church family,

Briana Bombich

Dear Church Family,

I want to thank all you for the love and support that you offered me and my family during my father's illness and death. The prayers, cards, calls, and meals were an enormous comfort to me and no words can adequately express my gratitude for each and every one of you. God has truly blessed me with a special church family.

In His Love,  
Jeanne Quinn

Thank you all at PIPC for your continued support of our J.O.Y. School summer program for children with disabilities. This summer we have 48 students enrolled, 16 staff, and several volunteers. We have college programs doing on-site training/visitation from Horry/Georgetown Tech and Costal Carolina. WE have teenagers completing service hours through their youth ministry including a group from Rocky Mt., NC. There have been so many people who have come together to keep the J.O.Y. School operating now in it's 25th year! And thanks to PIPC we had a delicious week of lunches, and we will have a terrific summer of Library and story time. We invite you all to come to our closing program on Thursday, July 23rd at 7:00 pm in the Sanctuary-

To the Scholarship Committee and my PIPC Family,

Thank you all so much for the scholarship from our church and for the beautiful personalized study Bible that you gave me. I am so blessed to be part of such a generous and loving congregation. I will miss you when I go away to Furman but I know I will have a family praying for me back at PIPC.

Love,  
Mary-Pat

To All My Church Friends,

Thank you for the beautiful flowers you sent me. I enjoyed them. Your thoughts and prayers mean so much to me.

Sincerely,  
Madge Defeset

Many thanks to all of you who have contributed aluminum pop-tabs from soup, soda, and pet food cans! Waccamaw Elementary delivered 134 gallon zip-lock bags to the Ronald McDonald House. In Charleston. The money collected for the tables will help defray the cost of operating the house.. It provides an affordable place for families to stay while a loved one is receiving treatment of care in an area hospital. I have already started collecting for the next school year so place your aluminum tabs in a zip-lock bag and leave them in the church office or in the Narthex under the recycled bulletins.
